245 Stirling Hwy, Claremont WA 6010, Australia

BSB: 086-164

Account No: 675242382

Swift Code: NATAAU3306P

5. WORKSHOP POLICY

Workshops are conducted by ElectroMagnetic Imaging Technology Pty Ltd (EMIT).

Participants are responsible for making their own accommodation arrangements. Meals will be provided unless otherwise indicated.

Those workshops around conferences may be scheduled over weekends to reduce the away-from-home time of travelling participants.

Booking

Participants are encouraged to book four (4) weeks ahead to ensure their desired workshop dates. Each workshop will be confirmed only when the minimum of four (4) bookings have been received. Workshops are limited to ten (10) participants.

EMIT will contact all participants to confirm workshop status.

Payment Information

Payment must be received prior to commencement of the workshop unless prior arrangement has been made. Prices do not include applicable taxes. A tax invoice will be issued.

Cancellation Policy

Applications for refunds will be accepted if a request is received in writing at least ten (10) working days prior to the start of the workshop. A 10% administration fee will apply for all workshop withdrawals. No refunds or transfers will apply once a workshop has commenced.

Workshop cancellations are sometimes unavoidable. Should this occur the participant can request transfer to another workshop or a full refund.

Computing Requirements

Participants are required to provide their own laptop computer with the latest version of Maxwell software installed. This is available from our website at www.electromag.com.au. Temporary software licenses and additional software will be provided as required.
